Children's Day

Brief Report-2016

We are pleased to share the brief report on the BalMilan to all our supporters and well-wishers.

14, November 2016 was a great day for the children of our 110 Bal Mandlas spread across 55 villages of Kutch district. All the 1200 rural children were given equal chance to activate the hidden talents at the cluster level (Taluka level). The champion of each cluster was given a bigger platform at the coordinating office level in Bhuj (District Level), where they would meet the champions of the other cluster to know the areas one need to improve. There were around 441 selected children to participate in various sports and arts competitions at the campus of Kutch Jyoti Trust-Bhuj. The colorful event was chaired by Dr. Atul Kanaiya (Kutch University), presided by Fr. Johnson (St. Xavier's –Bhuj), moderated the whole event by the staff of REAP (Rural Educational Achievement Programme of Kutch Jyoti Trust-Bhuj). With gratitude and respect we remember all the well wishers and supporters, along with the police department who instructed the students about various computer generated programmes, the doctors and paramedical team who instructed the students on various health issues.
